## Jags off to Jamestown

With both the State League and Reserves teams sitting in the top four, the Jags league team head to

Jamestown this weekend for the clash with fellow top four side Oakdale. Oakdale strengthened this year with the

return of Peta Scholz will be a formidable opponent. Netball SA

following the success of last years country clash asked Jags to make the trip this year. With support from the Northern Division of Rural General Practice, Jags will also conduct a coaching clinic for 120 local players on Sunday before heading back to Adelaide.

Support for this event from the local community has been

overwhelming with several media reports we expect to see a new fan base come out and support the Jags.

The Reserves remain in town and will play Oakdale on Friday night looking to cement their place in the four at the end of the first nine matches of the season.

## AMND

Regrading has occurred in senior, Inter & Junior grades with the B4's going up to B3 and the J2's going up to J1. AMND took the unusual step of regarding after 5 weeks not 4 as is their norm, then zeroed all points so all teams start from scratch.

The Sub Juniors and

Primaries are now in their 3rd week of competition and are faring well. It has been fantastic to see so many Jags teams take to the court and even more pleasing to see how well they are doing. We have seen an number of new players and coaches to the club this season and this has

strengthen our playing stocks.

The State League coaching panel has also been active with all grades, conducting several coaching clinics, as well as coming out to training and assisting coaches when asked. They are readily identified by their Jags track-suits

## Uniforms

Sales of the new hoodies and fleece tops are going well with some sizes running out. Uniform sales are available Tuesday night at Lothian or via the

Uniform Shop on the website. A parade of Jags Gear will take place at the up and coming Quiz Night.
